# Welcome Dental Discount Plan (WDDP)

WDDP is not an insurance plan, it is a discount dental plan. The Welcome Dental Discount Plan gives you access to all of the services we offer at significant discounts. This plan is for those who do not have dental insurance or for those who do not want to pay an insurance company exorbitant rates for meager benefits. Other benefits of WDDP is that there are no maximums or deductibles, and no work has to be approved by an outside company.
